

**PROGRAM OF STUDY
FOR THE DEGREE DOCTOR OF PHILOSOPHY
WITH A MAJOR IN MUSIC THEORY**

Instructions: Use this form to list all of the courses for which you will receive graduate credit. Individual programs of study may vary considerably depending on the needs of the individual student and the degree program, so please consult your program advisor or the [Graduate Research Curricula](#) for further details.

Page 1: List all post-baccalaureate work completed before admission to the PhD program (normally work done to complete the master's degree). Please organize the courses by subject area. Specific course numbers are required only if the courses were taken at Eastman.

Page 2: List the courses that you will use to fulfill your PhD degree requirements. Be sure to list only one course per row (i.e. multiple semesters of lessons should be listed on separate lines). Please check the box at the end of the row for all courses that you have already taken, or for those that are currently in progress.

Instructions for submitting your program of study:

Students: Please save the document using the format *last name_first name_POS* for the filename, and then email the document as an attachment to your program advisor for his or her signature.

Advisors: Please review this program of study, and if it meets your approval then click in the box marked "Signature of Program Advisor" to affix your digital signature to the document. YOU MUST USE ADOBE ACROBAT READER TO AFFIX YOUR DIGITAL SIGNATURE. YOU CAN DOWNLOAD THE LATEST VERSION FOR FREE BY CLICKING [HERE](#). If you have not already set up a digital signature file, the program will walk you through the process. When prompted to save the document, please make sure that the filename uses the student's name, and is in the format *last_name_first_name_POS*. Once you have signed the document, please email it to the Graduate Studies Office at gdean@esm.rochester.edu. Once the completed document is received, along with the appropriate signature, the Graduate Studies Office will submit the student's program of study to the Graduate Research Committee for final approval.
